

RoHS & WEEE Statement

January 2012

As manufacturers of test equipment, Mecmesin Ltd are currently exempt from RoHS regulations.

All our main electronics and PCB suppliers are now contractually bound to supply RoHS compliant parts to Mecmesin.

We are currently working with our supplier base to ensure compliance with the new RoHS 2 directive 2011/65/EU

All electronic and electrical product despatched after 13th August 2005 has carried the WEEE symbol.
